- In 2016, the Council developed a new system of review for the approval of certain NEZ certificates:

LPD assisted in developing a system for which the Council applied a greater level of scrutiny at the NEZ Zone approval stage. The recent upswing in the use of NEZs for the development of apartment buildings and condos downtown and in “Downtown Revitalization Districts,”¹ instead of just neighborhood single family residents, created a need for this review.

This Neighborhood Enterprise Zone was established in 1992, which is prior to the development of a system of additional financial review for NEZs in **2016**, therefore there is no additional fiscal review for this item.

HONORABLE CITY COUNCIL

**RE: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of one
(1) single-family structure located at 2432 Seyburn Avenue in the West Village
Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)**

The office of the City Planning Commission (CPC) had received one (1) application requesting an Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of one (1) single-family structure located at 2432 Seyburn Avenue. This application corresponds to a qualified site that will facilitate the rehabilitation of this single-family structure at a cost of \$107,179.00. CPC staff had reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the West Village NEZ which was established by a vote of Council on November 15, 2000, and should be eligible for an NEZ certificate under State Act 147 of 1992 as currently written. The NEZ certificate application appears to have been submitted within six months of the development, being issued a building permit on February 20, 2019.

In order to proceed the City of Detroit would have to approve a resolution which contains language that approves the submission of the application after the issuance of the building permit, however, no later than 6 month following the date the building permit was issued.

The required resolution is attached for your consideration.

Please contact our office should you have any questions.

Respectfully submitted,

Marcell R. Todd, Jr., Director CPC
